REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art of record taken singularly or in combination teaches or suggests:

- in each of receivers of a multicast group, concurrently performing the steps of: detecting a missing portion of multicasting content, delaying for a random interval, thereafter transmitting no more than one negative acknowledgement from one of the receivers to the sender of the multicasting content, and responsive to the negative acknowledgement multicasting the missing portion from one of the sender and another of the receivers (claims 1 & 8); and
- detecting a missing portion of a multicast content, determining random intervals, transmitting a first negative acknowledgement from first computer to content server, resending the first negative acknowledgement to second computer by the content server, wherein in an event that the second computer has not received the missing portion, the second computer suppresses a second negative acknowledgement therefor, and receiving the missing portion from the content server (claim 15).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
